How to Embed Power BI Reports in Dynamics 365 Business Central

November 4th, 2020

By [Justin Song](#), Senior BI Analyst

Follow these instructions below to find out how you can embed Power BI Reports in [Dynamics 365 Business Central](#). We'll use a vendor list below, but the steps are the same for customer list, item list, and so on.

[Power BI](#) is hidden by default so click More Options from the ribbon:
